Reference: March Monthly Report (2/1/01-2/28/01)

Dear Mr. York:

On February 27, 2002, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

The Commission is in receipt of your amendment submitted March 5, 2002 and your letter submitted March 5, 2002. However, your responses do not provide all the requested information. For your response to be considered adequate, the following information is still required.

-A review of the reports filed by your committee (pertinent portion(s) attached) indicates that your committee received one or more transfers from "Republican Party of Minnesota" which has not been disclosed on their report(s) of receipts and disbursements. Please provide clarifying information regarding the source of the transfer(s) received by your committee.

-Your EVENT YEAR-TO-DATE calculations for Administrative/Voter Drive are incorrect. EVENT YEAR-TO-DATE totals for administrative and voter drive costs are derived by aggregating all disbursements during the calendar year for the whole Administrative/Voter Drive category, not by individual purpose such as "Utilities" or "Rent". Please amend your report by providing the correct Administrative/Voter Drive EVENT YEAR-TO-DATE totals.

An adequate response must be received at the Commission by April 10, 2002. Adequate responses received on or before this date will be taken into consideration in

determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions related to this matter, please contact Erik Koeppen on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.

Sincerely,

A handwritten signature in dark ink, appearing to read "John D. Gibson", with a stylized flourish at the end.
